Dear Mr Cheong-Leen,

May I refer to your letter dated 9 March 2009 and thank you for your views on Members' conduct during Council meetings.

I understand the gravity of the concerns you have expressed. You may wish to note that the issue of persistent grossly disorderly conduct during Council meetings will be considered by the Committee on Rules of Procedure (CRoP), and for this purpose, a special meeting has been scheduled for 23 April 2009. The CRoP is responsible for reviewing the Council's Rules of Procedure and proposing amendments or changes as are considered necessary. In response to the request of CRoP, the Legislative Council Secretariat is currently conducting a research study of the rules and practices of other legislatures governing disorderly conduct of their members.

Thank you once again for writing to me.

Yours sincerely,

(Jasper Tsang Yok Sing)
President
